Blind Tasting Experiment

With a parent choose 3 ingredients from the pantry. Put on a blindfold. Ask your parent or caregiver to put one of the choices on a spoon to taste. Try to guess what the foods are as you taste them.

Write what you tasted in your Home Learning Book. Choose words from the list below to describe what you have tasted. Write the words next to the food item – fizzy, crunchy, sour, acidic, bitter, hard chewy, sweet, cold, soft, spicy, salty. (You can also think of other words as well if you want to).

Eg, Sugar – sweet, crunchy
